How to post a volunteering opportunity

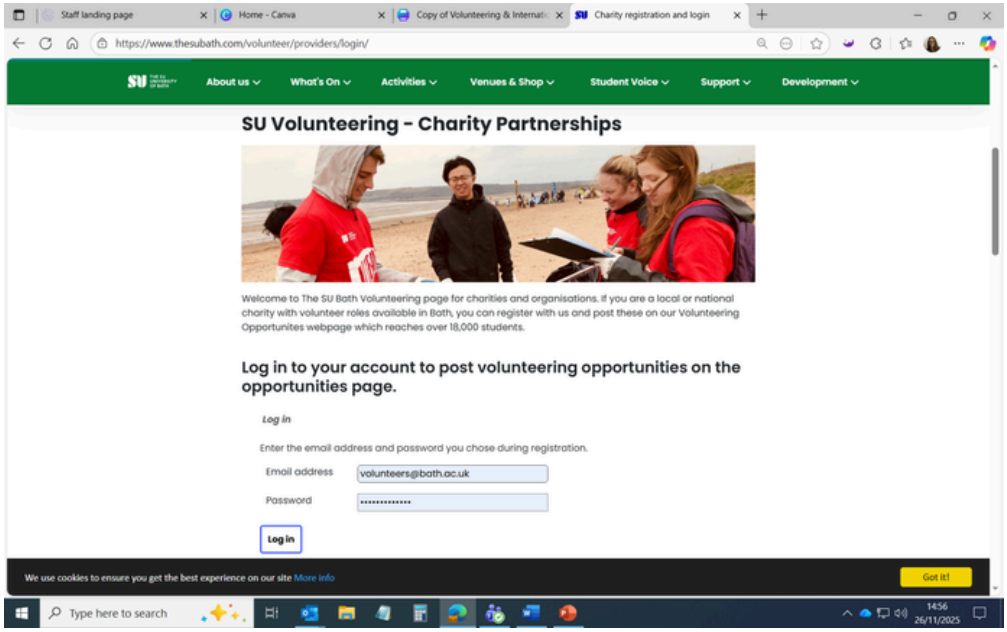
The SU Volunteering Opportunities page is our most visited webpage and can be viewed by thousands of students at the University Volunteering Opportunities

If Student Groups need volunteers for their event or activity, they can post on this page. For example, the Bath University Latin & Ballroom (BULB) dance group hosting a competition may need 20 student volunteers to support the event.

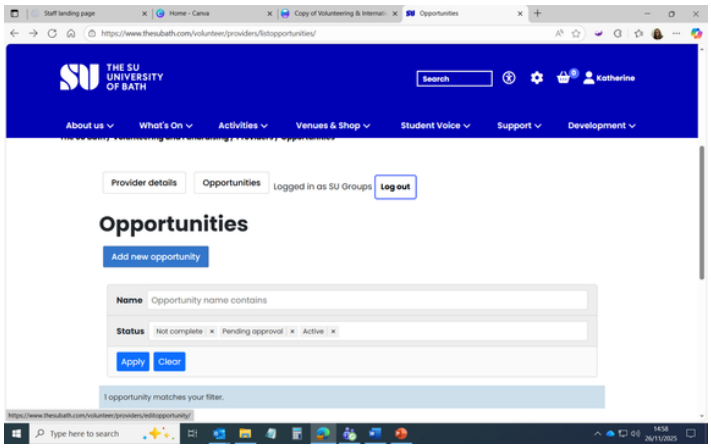
Please follow the steps below to post your role. Once the role is up you willreceive email notifications of students who are interested. You can then follow up with them direct.

Steps

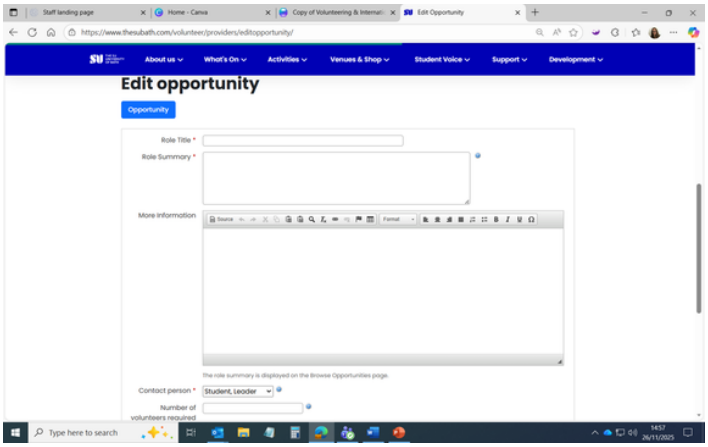
1. Complete the Data Handler Course (thesubath.com/surveys/46/)
2. Once this is done, email volunteers volunteers@bath.ac.uk to let them know and a login will be created for you.
3. To post your role, login at Charity registration and login, entering your email address and password.



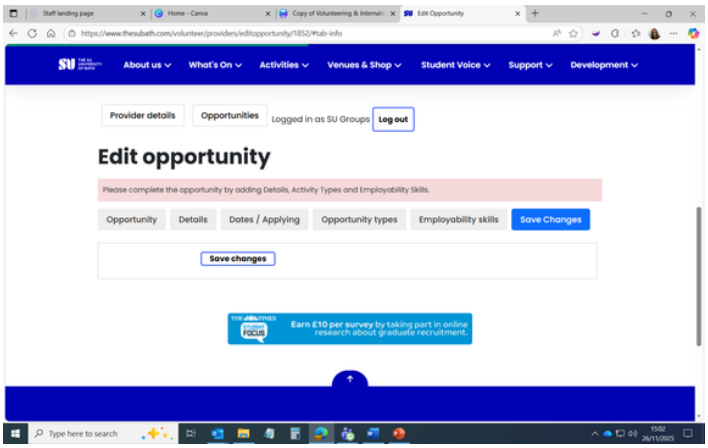
THE SU UNIVERSITY OF BATH



Add your role
Ensure you're on the Opportunities tab & click 'Add new opportunity'



Add details of what the volunteers will be doing, how many volunteers you need, etc.
Fill in all fields on the page.



Go along tabs and save changes to submit.

This will then go to the SU Vol team who will approve.

Then it will go live here!
