

Baby changing and breastfeeding facilities

1. Welfare Room:

A room dedicated for the use of expectant and nursing mothers is available in Wessex House 3.47A. This room contains a bed to aid relaxation, a chair and fridge for milk to be expressed. Further information, including how to gain access to the room, can be obtained from Health & Safety Technical team, Human Resources by contacting Marcia Martin (M.A.Martin@bath.ac.uk).

2. Baby changing facilities can be found in the following locations:

- East Building, Room 0.4B
- The Edge, Room 0.14
- Norwood House, Room 2.8
- 4 West, Room 1.6

All of the above rooms have baby changing tables. All apart from the room in 4W are marked (see images below) and are on the ground floor level.

In the Edge building, three baby changing tables are provided: both ladies' and gents' toilets have a table each together with an additional table in a disabled-unisex toilet.
