Diversity & Support Executive Committee - Terms of Reference

- 1) Fostering cross-promotion and collaboration to ensure that each group's campaigns and overarching goals are expedited.
- 2) Discussing students' diversity and support related grievances and - if direct action cannot be taken - bringing these to the attention of higher Students' Union and/or University bodies.
- 3) Attending the Equality and Diversity Network, providing a strong, united front that maintains students' diversity and support related concerns as a top priority for the network.
- 4) Holding the incumbent Students' Union Community Officer to account, ensuring that students' diversity and support related concerns are being heard and addressed by the Students' Union Officer Team.
- 5) Being held accountable to the student population by committee meetings being open and accessible to any student.
