November has given us international students time to settle into university (and adjust to the British weather - hot chocolate required). Here's a round-up of this month's events.

ISA World Café

Our second World Café featured snacks and cultural knowledge from ACS, [African and Caribbean Society](#) and HKPASS, [Hong Kong Public Affairs and Social Services Society](#). We'd like to thank them for coming along!

If your Faith & Cultural society would like to feature in our World Café events, please feel free to message us on [our Facebook page](#).

Meet Our New Campaigns Rep

The latest addition to the ISA Executive Committee is our campaigns rep, Michele Firmo, from Italy.

Currently, Michele is working on raising awareness for homesickness and mental health amongst international students.
