

0.1 Production Stages

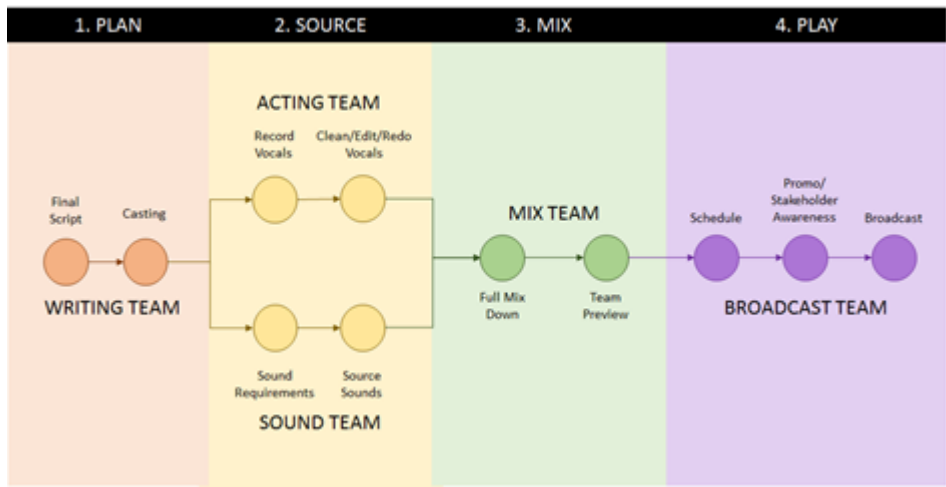

THE LONG AND NOISY ROAD

LET’S BE FRANK HERE. Making any documentary, audiobook or drama is going to take time and a fair amount of organization. Below I’ve broken this down into project stages. These stages are also how the rest of these pages are laid out.

FOR A DOCUMENTARY:

FOR AN AUDIOBOOK OR DRAMA:

We used this system to monitor the progress of all of our ongoing creative projects last year by creating an Excel spreadsheet that logged each project’s STAGE (1,2,3,4), CONTRIBUTORS, EXPECTED COMPLETION DATE and ADDITIONAL PRODUCTION COMMENTS.

All four of these stages can be a make or break point for your project. Don’t underestimate any of them. Be prepared to start work months earlier than the expected broadcast date.
