

Meet a Mentor: Lizzy Accounting and Finance

Hobbies and interests:

Music; I'm working on my saxophone diploma. Sport; I love swimming and cheerleading at Bath. I also love to travel and spend time with my family and friends.

Why I became a Peer Mentor?

I really appreciated having someone to support me through my first year, to answer all of my small questions about module choices, where to live in second year and all sorts of other useful things. It's a great way to build new friendships and feel supported when you're (sometimes a really long way) away from home.

What I hope to get out of the scheme?

I hope to meet some new people and make some new friends. I also hope to help people through the daunting but exciting experience that is first year!
