

POLICY PROPOSAL

TITLE: SELL SCORE TICKETS ONLINE

PROPOSED BY: JAMES WILDER

SECONDED BY: MASON GILLARD-ELLIS

INTRODUCTION

SCORE is one of the most popular club nights in Bath.

Ravers and Behavers alike rock up to its heavenly gates with their only concern about how to get in the least photos possible and where they can pick up a kebab on the way home.

However the way in which you make it into SCORE is ridiculous. Queuing from 5am has even become a thing last semester and that cannot go on any longer. Putting SCORE tickets on sale online is the only answer to make sure everyone can have a fair chance at getting a ticket, without having to queue through the night.

REASON FOR CHANGE

Considering

1. Bath SU operates two regular club nights a week during the formal academic year; SCORE and Klass.
2. The Plug and Tub is a limited size venue which often attracts far more students to attend its club nights than are able to attend.
3. Tickets for club nights go on sale at 8am on Monday mornings, and can only be purchased in person.
4. A maximum of 20 tickets per person can be purchased at anyone time.
5. Queues for club night tickets have become extremely long and individuals have begun queuing from as early as 5am.
6. "Demand for tickets has often outstretched availability, leaving individuals who queued without tickets to show for it.

Bath Students' Union recognises that

Additional stress may be put on students who are unable to physically be on campus for the purchase of club night tickets to occur.

1. Physical purchasing can lead to students missing training sessions or lectures.
2. The ability to purchase products and tickets online is now a regular occurrence.
3. Physical tickets could still be collected by individuals before the specific club night at a time to suit them.

THE PROPOSAL

Bath Students' Union will

1. Sell a specific amount of tickets to each club nights through BathStudent.com.

2. Tickets will then be available to be collected from the Plug and Tub, and only physical tickets will be accepted at the door to club nights.
3. Individual tickets only will be able to be purchased online for the initial 6 weeks of term.
4. The amount of tickets able to be purchased online per person after the first 6 weeks of the academic year (2016/17) will be at the discretion of the SU President.
5. Online tickets will go on sale at the same time as physical ticket sales.
