Exec Updates	<p>BL: Green week. Set up competition for teams to submit meatless meals. Team with most submissions will get score tickets. Monday to Sunday will run.</p> <p>EM: LGBTQ+ training event needs to be reorganised. Rainbow laces left in office- could be handed out in varsity- ES could email captains to see if people will wear them.</p> <p>ES: Sulis: plans going ahead smoothly- hopefully redeveloped by July. Donald the Duck- old mascot costume to be used in Varsity. Sports Instagram to launch on Monday- will allow better continuity between years. New media/marketing members for 2022/23 and BS/ES/TL to chat about strategy going forward.</p>	<p>Exec to promote green week activities throughout the week</p> <p>EM to contact LGBTQ+ society about rearranging training event.</p>

	MH: Green initiatives in sport to be discussed following varsity	
Kit	Going out to tender- may need Exec help. 7 companies have applied for it. May run a GM for clubs to come and look at samples.	
Bikes	<p>SU have set of bikes from 5 years ago- 20 bikes that can be hired by students. Bikes have been out in the elements and need to be serviced each year: likely coming to the end of their lifespan.</p> <p>Options:</p> <ul style="list-style-type: none"> • Current bikes serviced again (roughly cost of £2k) • Bikes replaced like-for-like • Replaced with electric bikes <p>Storage of E-bikes is an issue as can't be left outside long-term and more expensive, so less can be purchased. Old bikes could be sold to students and then money being used to fund buying new bikes.</p>	Exec members to send opinions to Matt Price following their email
Membership	<p>Prices are likely needing to go up due to inflation: only up by £5. Still one of the cheapest universities for sport. All costs for sport will likely go up, so need financial pressure being eased by slight increase in membership.</p> <p>Current: £30 sport membership with £10 club membership. 2022/23: £5 increase to be put on sport membership or club membership: which would work best?</p> <p>Matt to send in an email and then Exec can advise.</p>	Exec to send opinions to Matt Price following their email
