

THE VARSITY OATH

As students of Bath and Cardiff Met,
we promise to compete with integrity,
respecting every athlete, official, and supporter.

We celebrate effort, play safely and fairly,
and uphold positivity from the stands to the pitch.

Today, we honour the spirit of Varsity,
strong in competition, stronger in respect.

The Varsity Oath is designed to promote a culture of respect, fair play, and pride among all competitors and spectators involved in Varsity.

By taking part in Varsity, Bath SU and Cardiff Met SU agree to represent their universities positively and follow the values and spirit of the event

By declaring the oath, participants pledge to compete with fairness, integrity, and respect for their opponents. The oath also reinforces the responsibility of spectators to support positively, value all competitors, and show appreciation and consideration for the communities and facilities that host Varsity events.
