

## Wetsuit Hire Disclaimer

This form is to be issued to members wishing to hire Bath Windsurfing wetsuits for any other Approved Event other than Bowmoor Lake Trips. This signed form must be handed directly to a current committee member before a Bath Windsurfing wetsuit will be issued.

I accept responsibility for the full cost to replace the wetsuit if it is lost, or to repair or replace the wetsuit if any excessive damage is sustained while in my care (excessive damage will be determined by the committee). Responsibility of the wetsuit will be handed back over to The University of Bath Windsurfing Club when it is returned directly to a current committee member and is inspected to be free of damage by that committee member. The RRP of the wetsuit in in 2018 is ~£155.
